ABOUT ME

Hello! I am from Argentina, I am 32 years old.
I am full stack web developer. I studied at the Henry Academy in Argentina. I learned different technologies JavaScript, Node JS, React JS, Redux, SQL, HTML, CSS, Typescript, MongoDB, Prisma. I am looking for new jobs as a developer.
Currently I'm learning some new technologies like as Solidity.

Full Stack Web Developer
Henry, Argentina
Intensive bootcamp.

● 2008 - 2016

Accountant
University of Palermo, Argentina
Public accountant college degree

PROJECTS

● June/2022

SNAKE GAME

It's the snake game that you have to eat apples and make points without hitting the walls or his own tail. Every time the snake eat an apple, the tail grows longer, causing the difficulty of the game to increase.
