Henry Academy

Full-Stack Web Developer

November 2021- April 2023

Intensive Bootcamp of Developers

PROJECTS

Website

TIM Messages

I made a website for a massage center
www.masajestim.com.ar

Snake Game

Game

It's the snake game that you have to eat apples and make points without hitting the walls or his own tail. Every time the snake eat an apple, the tail grows longer, causing the difficulty of the game to increase.
