Intensive Bootcamp of Developers

PROYECTS

Website

TIM Massages
March 2023- April 2023

I made a website for a massage center
www.masajestim.com.ar

Snake Game

Game
May 2022-June 2022

It's the snake game that you have to eat apples and make points without hitting the walls or his own tail.Every time the snake eat an apple, the tail grows longer, causing the difficulty of the game to increase.
